

Our Place - Hobart

Kristie Johnston MP
Member for Clark

by email: kristie.johnston@parliament.tas.gov.au

Dear Ms Johnston

Congratulations on your election to the Tasmanian House of Assembly as member for the electorate of Clark.

Here at *Our Place* we are delighted that you were so staunch in your support for the people of Tasmania throughout the election campaign. We are especially appreciative that this support extended to backing our campaign against a new AFL stadium at Macquarie Point.

We sincerely hope that you will maintain your position in the new Parliament, where the majority of successful candidates have expressed concern over the redistribution of funds from the State's primary responsibilities in health, housing and education, to a vanity project that will only plunge us further into debt.

We look forward to working with you over the coming months to see this ridiculous proposal finally expunged from the new parliament's agenda.

Yours faithfully

Roland Browne
